Dr. Alexander M. Don
Warley Hospital
Brentwood, Essex
England

Dear Dr. Don:

We look forward to having you join us on May 6. That date is the middle of the week of the annual meeting of the American Psychiatric Association, and a number of the staff, including myself, will be in Los Angeles.

For this reason, I am asking two of my associates, Mrs. Watzig, who is the administrative assistant, and Dr. Ali Keskiner, with whom you will be working, to be your hosts during the first few days - until I return.

Have a good trip.

Sincerely yours,

Max Pink, M.D.
