

September 17, 1968

Librarian
New York Academy of Medicine
2 East 103rd Street
New York, New York

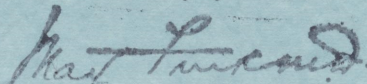

Dear Madam:

I would be grateful if you would permit Dr. Richard Abrams to work in the library during the hours open to Fellows as he is working on a project for me.

OR XEROX

If he finds it necessary to take out books and journals, I would approve his doing so.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
