601 North Broadway  
Baltimore 5, Maryland

Dear Dr. Black:

I am writing with regard to the symposium "Drugs and the Brain." You were kind enough to invite me to submit a manuscript and I suddenly realized that the date for submission has passed.

At the request of the ACNP, I am in the midst of an extensive review of literature and will be pleased to make the kind of presentation which you requested, provided that the deadline can be moved up to mid-December. I shall try to have an appropriate manuscript available for you by that time.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
