Dear Dr. Kosterlitz:

Our contribution to the "Symposium on Agonist and Antagonist
Actions of Narcotic Analgesic Drugs" in Aberdeen will be:

Clinical Studies of Cyclazocine and Naloxone
in Treating Opiate Dependence

Max Fink, M.D.*, Alfred Freedman, M.D.,
Richard Resnick, M.D. and Arthur Zaks, M.D.

I trust we will be able to obtain the funds and if we are unsuccessful,
I will write again.

The program is an excellent one, and we look forward to
participating. You will recommend hotel accommodations when
arrangements are made.

Again, our thanks for the invitation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
