Dear Dr. Graubert:

It was a pleasure talking to you on Sunday. I am pleased to enclose a tearsheet of an article on fluphenazine that my associates and I have recently published, as well as a copy of the summary of the proceedings of a recent meeting held at Sitges, Spain. In addition, copies of articles by Blachly and Kurland are enclosed.

Fluphenazine enanthate is available as a commercial preparation in 5 cc ampules of 25 mg/cc.

I am also enclosing a copy of the protocol of our ongoing study.

In the event you would like to undertake such a study, I would be glad to assist you and will contact the representative of Squibb.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
