

May 26, 1969

Dr. Eugene S. Paykel
Assistant Professor
Yale University
New Haven, Connecticut 06519

Dear Dr. Paykel:

Thank you for your inquiry. Membership in the American Psychopathological Association is by invitation after nomination of two members, and election by the members at an annual meeting. The Chairman of the Membership Committee is Dr. Charles Shagass (Eastern Pennsylvania Psychiatric Institute, Henry Ave. and Abbottsford Rd., Philadelphia, Pennsylvania 19129).

The process can be expedited by recommendation from members to Dr. Shagass. I am sending him a copy of your note, and I would suggest that you check the membership list in recent volumes of the proceedings (published by Grune and Stratton) and asking members who know you to write to him.

Sincerely yours,

Max Fink, M.D.
Secretary
