Dear Dr. Mechoulam,

I received your itinerary after your letter. I will be at my office all day on Thursday, October 21 (212 369 8488), and I look forward to hearing from you. Unfortunately, I will not be available Friday.

If you cannot reach me on Thursday, I should be home on Saturday (516 466 5444).

In Amsterdam, I heard some preliminary data to be presented in Stockholm, and I believe that should be a very interesting meeting.

I hope that you will be able to look into the development of a long acting antagonist.

Good luck !

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
