

TO: Mr. K. Skrivanek

DATE: May 19, 1969

FROM: Dr. Max Fink

SUBJECT:

It is with great regret that I received a copy of your letter of resignation. Your association with this Division since your appointment two years ago has been a most useful and pleasant one for me, and the patients and staff have benefitted from your interest and enthusiasm.

My best wishes in your new position with the Department of Mental Hygiene.
