Gentlemen:

We desire to obtain the following reports:

AD 718-83: A Review of Biomedical Effects of
Marijuana in Man in a Military
Environment. Dec. 1970

AD 342332: A summary report on EA 1476
and 2233 (U).

In addition, may we ask for a list of other available
reports on EA 1476 (the 1,2-dimethyl-Heptyl analog of
tetrahydrocannabinol)?

Thank you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
