Miss Michelle J. Cohen, R.N.  
Director, Department of Education  
National Association for Practical  
Nurse Education and Service  
1865 Broadway  
New York, New York 10036

Dear Miss Cohen:

Thank you for your invitation to participate in the program on Wednesday, October 29. I have marked it on my calendar and I will be pleased to present our experiences in the treatment of opiate addiction at 2:30 p.m. at the Statler Hilton Hotel. I will try to attend the meeting early enough to hear Dr. Brill.

A copy of my curriculum vitae is enclosed. My present identifications are as Professor of Psychiatry, New York Medical College and Director, Division of Biological Psychiatry.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
