David J. Impastato, M.D.  
40 Fifth Avenue  
New York, New York 10011

Dear David:

Your comments on the Q & A section for the forthcoming issue of *Seminars in Psychiatry* were most helpful. We have revised the sections most relevant to the suggestions, and I am pleased to enclose a revised copy for your files.

Again, we want to thank you for your cooperation and candor.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
