Dr. Christer Meissner  
Ciba-Geigy AG  
Basel, Switzerland

Dear Dr. Meissner:

Enclosed is a copy of my report to The World Congress of Psychiatry, and an earlier report which describes more fully our latest findings. I trust these will be helpful.

Our studies of GP-41299 will be completed by February, and I hope these will be interesting.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
