Dr. Enoch Callaway, III  
Chief of Research  
The Langley Porter Neuropsychiatric Institute  
401 Parnassus Avenue  
San Francisco 22, California

Dear Noch,

I am pleased to send you a copy of a report describing our experiences and the programs for digital computer analysis of EEG. In addition, a shorter review of our applications as we described them at the recent IBM Medical Symposium may also be of interest.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
