Dear Bill:

I would appreciate one hundred reprints of my contribution to your book "EEG in Human Psychopharmacology". I am glad to see that your report will appear soon and hope that your volume has as good a public acceptance as Gil Glaser's.

I look forward to seeing you in New York next week. Thank you for your manuscript.

As yet I have not arranged for a place for the luncheon on Saturday, but would appreciate your meeting me at the end of the morning session in the Gramery Suite at the New York Hilton Hotel, after the presentation by Dr. Ploog.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
