Gentlemen:

RE: MH-8388-01  
MH-8464-01

I am writing with regard to the funds to have been received by us in grants MH-8388 and MH-8464. According to our records, we have received \$21,846 on behalf of MH-8464-01 and \$22,320 for MH-8388.

On March 30, we requested an additional advance of \$12,000, which has not been received.

Rather than file individual monthly cash requests, since the amount involved is small, would you favor us with a single check in the amount of \$26,166 which will cover the completion of these two grants to June 30, 1965.

For MH-8388, the total grant was \$32,640. We have received \$22,320, leaving a balance of \$10,320.

For MH-8464, the grant was in the amount of \$37,692. We have received \$21,846, leaving a balance of \$15,846.

Insofar as both these grants to this Foundation will terminate (the grants being transferred to the Missouri University School of Medicine effective July 1,) it would be helpful if this Foundation could complete its accounting this summer.

Thank you for your assistance.

Sincerely yours,

Max Fink, M.D.  
Executive Director
