Dear Jerry,

Our program MH-13358 (Quantitative EEG Studies in Psychopharmacology) is now in its third year. The annual renewal date is January 1. As of today we have not yet received the award letter for MH-13358-03.

I have checked carefully within our administration and have been reassured that we have complied with all the requirements set forth by the administrators in Washington. As I am unable to utilize the funds in restricted categories without the letter of award, I would be grateful if one of your administrative assistants could look into this for me.

Many thanks.

Sincerely yours,

Max Fink, M.D.
