Professor E. G. Saint  
School of Medicine  
Victoria Square  
Perth, Western Australia

Dear Professor Saint:

Some weeks ago, I wrote you regarding an application from Dr. I. Pierce James for appointment at this Institute. Not receiving a reply, my associates and I have become concerned as to whether this reflected some hesitancy on your part in recommending him.

I would be most grateful if you would advise us regarding his training and experience as a teacher, his personality and character, and especially his ability to get along with his co-workers.

I am enclosing a copy of my original letter, which is more detailed.

I would be most grateful for your cooperation.

Sincerely yours,

Max Fink, M.D.
