Dr. T. Estrin
Brain Research Institute
University of California
Los Angeles, California

Dear Dr. Estrin:

I have read your recent article in EEG Journal regarding the conversion system for neuroelectric data with interest. As I am now exploring a similar system, I would appreciate the manufacturer's name and model number of the digital transport used in your system.

Thank you.

Sincerely,

MISSOURI INSTITUTE OF PSYCHIATRY

Max Fink, M.D.
