Dear Sir,

I have filed for and hold BNDD registrations # AF 1732103 and PF 002455 for the investigation of opiates and cannabis derivatives. In requesting supplies of cannabis from the National Institute of Health, Dr. Monique Broude requested that I submit, in addition to the proper protocols, completed order forms, # 222C.

I am writing to request a supply of these forms, properly imprinted, for the continued use of these study programs.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
