Dear Mr. Corbet and Miss Bastiaans:

Thank you very much for your consideration in sending me an airmail copy of the bibliography. I have also received the five copies by surface mail and am pleased to distribute these to my co-workers.

I should like to have additional copies and should like to place a direct order with you for 30 copies, sent by surface mail.

Thank you very much for your kind assistance and many considerations during the production of this volume.

Sincerely yours,

Max Fink, M.D.  
Director
