

January 29, 1968

Dr. Joseph G. Bird
Sterling-Winthrop Research Institute
Rensselaer, New York 12144

Dear Joe,

Enclosed is a revised and updated copy of the report of our EEG studies with cyclazocine. The original was presented at the ACNP meeting in 1966 and it is now going to press.

The review of the clinical experiences with cyclazocine as an antidepressant is continuing and we should have a report available very shortly.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
