Mr. Gio Wiederhold  
Director, Computer Facility  
Stanford Medical Center  
Palo Alto, California

Dear Mr. Wiederhold:

I want to thank you for making so much of your time available to me during my recent visit. I was impressed that you have done much for the medical school and see this as a model for future medical centers.

The director of our center, Dr. Donald M. Shapiro, and I would be pleased to have you visit the next time you are in New York.

Again, my thanks for your courtesy.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
