Dr. Craig Burrell  
Sandoz Pharmaceuticals  
Hanover, New Jersey

Dear Dr. Burrell:

I am enclosing xerox copies of EKG records obtained during the CDT study. There are seventy-nine records and these have been taken during placebo and drug treatment periods.

I am also enclosing a list of the patients and a copy of the letter sent by Dr. Itil to our consultant, Dr. Paine.

In response to our request he has indicated that he will charge us approximately \$6.00 per record plus some additional costs for the reports. It is our estimate that the total fee will be between \$400 and \$600. I trust that this meets with your approval.

Many thanks for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
