Editor of 1967 Transactions  
152 Hicks Street  
Brooklyn, New York

Dear Joe,

Enclosed is a draft copy of our article from  
the meeting on Saturday in Washington.

Dr. White will be spending the next year in  
the laboratory of Dr. Phillip Bradley in Birmingham.  
When the galleys are available it would be useful if  
you would send me a set for you may get them quicker.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
