Dr. Turan M. Itil
Tophkapı Serafı
Istanbul, Turkey

Dear Turan,

Enclosed is a self-explanatory letter from Dr. Bailey. I called him today and he will entertain an application from us, approximately two years, perhaps three, in the order of \$18,000 - \$25,000.

Please plan on your return to stop off and if you wish, the International Association would be pleased to make such an application.

Alain Sanseigne called to say that no funds were available for the Istanbul study.

We are still working hard and trust that you are enjoying yourself. My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
