Mrs. Noreen M. Clark  
CU School of Public Health  
New York City

Dear Mrs. Clark,

Thank you for your invitation to participate in the course in Public Health on October 22. I regret that I am unable to participate, as I plan to attend a conference in California during that week.

May I suggest that either of two other members of my staff may be both able and willing to participate, and I would suggest you write to them directly.

Dr. Arthur M. Zaks, M.D., Instructor in Psychiatry

Dr. Richard Resnick, M.D., Assistant Professor

Both may be reached at my address.

Thank you again.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
