Dear Rich:

Miss Rosenfeld will bring you my bibliography with corrections. Would you please punch and verify these corrections? When this is done, would you please call her, and she will insert them in the proper places in the bibliography.

Please arrange for a simple print-out on 10" paper and if possible, I would like to have six copies.

Charge to the EEG program, #143, M. I. P.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M. D.
