

June 9, 1970

Dr. Merle L. Gibson, Director
Division of Neuropharmacological Drugs
Office of New Drugs
Bureau of Drugs
Food and Drug Administration
Rockville, Maryland 20852

Dear Merle,

RE: IND 6825
Methadone

With reference to your letter of May 14, 1970, enclosed is the additional information requested, i.e., my curriculum vitae and the present protocols. I have requested a letter from Eli Lilly regarding reference to their submissions for formulation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
