Dr. Jack H. Mendelson
Assistant Professor of Psychiatry
Harvard Medical School
Massachusetts General Hospital
Fruit Street
Boston 14, Massachusetts

Dear Dr. Mendelson:

Thank you very much for the supplement describing your studies with alcohol. The section on EEG interested me very much. My assistant is completing a review of the articles describing alcohol and its influence on EEG which will be sent to you within a few weeks.

My best wishes for the New Year.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
