Dr. A. S. Burhan
Director of Research
Cleveland State Hospital
Cleveland 5, Ohio

Dear Dr. Burhan:

Hanna During the past few weeks, I have discussed with
Dr. ~~Malamud~~ the possible augmentation of the proposed
supplement 23 to the EEG Journal.

I have sent him the copy of the KWIC-Index that you
sent me. Considering the advanced state of this biblio-
graphy, it was our impression that the addition of the
KWIC-Index would add relatively little for the expenditure
in dollars which the printing would entail.

In view of this it seems most expeditious to publish
the EEG and Human Psychopharmacology bibliography as
originally planned.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M.D., Director
Missouri Institute of Psychiatry
