Dear Gene,

We look forward to seeing you on Wednesday night. We have arranged for you to have a room at the Summit Hotel. When you arrive, please call my home (516 466-3158) and I will tell you if I am able to meet you.

Enclosed is a New York Medical College tax exemption form which you should use for your tickets. Unfortunately there isn't enough time to have the tickets mailed officially and I would like to have you pick them up and we will reimburse you. Your flight to New York is Eastern Airlines Flight 88 and your return flight is Eastern Airlines Flight 87..

Thank you,

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
