Dr. Vincent Y. Cremata, Jr.
Associate Director
Department of Clinical Pharmacology
Chas. Pfizer & Company, Inc.
Groton, Connecticut 06340

Dear Vince,

Enclosed is a rough draft of the proposed study which can be undertaken starting by mid-July. Please critique this outline and return it to me in New York as soon as you can.

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
