Dr. Al DiMascio
Boston State Hospital
Boston, Massachusetts

Dear Al,

It was fun working with you at the ACNP, and I want to thank you for participating in the panel on training. Your comments were most helpful, and I must congratulate you on the excellence of your programs.

I am writing to ask your approval for Dr. Jovan Simeon and his assistant, Dr. Jane Hobson, to attend your forthcoming symposium on psychopharmacology in children on March 11 and 18. I understand the symposium will be held at the Cushing Hospital in Framingham.

Many thanks, and my best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
