Dr. Leo G. Abood
Center for Brain Research
University of Rochester
Rochester, New York

Dear Leo:

I have collected all the reports of our symposium in New York and have submitted them to Dr. Joe Wortis today. Prior to sending your paper in, I took the liberty of having my librarian complete your citations in the style of the book. A copy of that revised list is enclosed.

Again, my thanks for your participation.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
