Dear Dr. Hrachovy,

I was sorry to hear of the problem in patient recruitment. The amendment to the IND is acceptable and has been filed. A copy of the letter of submission is enclosed for your records.

If you are coming to the ARNMD meetings in New York in December, perhaps we could meet? I plan to attend the afternoon session on Friday and will look for you at the registration desk at the end of the session.

Good luck.

Sincerely yours,

Max Fink, M.D.
