Dr. Doris E. Hadary  
Associate Professor  
Department of Chemistry  
American University  
Mass. & Nebraska Ave., N.W.  
Washington, D.C.

Dear Dr. Hadary:

Thank you very much for the invitation to participate in a course in drug chemistry. I regret that I am unable to participate as a guest lecturer.

In the event that the subject of interest is our work on heroin addiction I would be pleased to recommend either Dr. Richard Resnick, Assistant Clinical Professor, or Dr. Arthur Zaks, Instructor in Psychiatry, both members of this Department.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
