Gentlemen:

At the present time we have an IBM 1620 console and a typewriter. The paper is 9-3/4 inches wide with a distance of 9-3/8 inches between the pens (sample page is enclosed).

I would like a sample, as well as a price, for address labels of the enclosed size, laid out according to the enclosed sample.

Thank you very much.

Sincerely yours,

Max Fink, M. D.  
Director
