Dear Sam,

Your nephew has been working with me for more than one-half year and I want to thank you for sending him. He has learned rapidly and is an asset to our program.

I plan to be in Portland for a drug problem summer school session on August 14-15. I will probably arrive on the 13th and would welcome an opportunity to meet with you either the evening of the 13th or on the 15th.

I may bring Peter to keep him out of mischief.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
