Dear Dr. Bradley:

It is with pleasure that I enclose the applications for four members of the staff of the Missouri Institute of Psychiatry, who are planning to attend the C.I.N.P. meetings. Three are members, Drs. George A. Ulett, Turan Itil, and Max Fink. Dr. Sam Gershon has been invited as an associate participating member by Dr. Ulett. In addition, Mrs. Itil will be attending as an associate member.

Enclosed is a check in the sum of \$317.90, to pay for the registration of these five attendees at the meeting. Dr. Itil mailed his request for two theatre tickets separately about a week ago, and payment for these is included in this check.

If there are any questions regarding the registrations of any of these, you may feel free to write my secretary, Mrs. Watzig, at the Institute, and she will do her best to clarify any of the questions.

We are all looking forward to joining you in September.

Sincerely yours,

Max Fink, M.D.
