Grass Instruments Company
101 Old Colony Avenue
Quincy, Massachusetts 02169

Dear Sirs:

We are sending to you the Grass amplifier, MOD 7P511, Serial #731P1,
for repair.

During the recording (approximately 1 1/2 hours) the gain decreased
to almost zero.

Thank you for your assistance.

Very truly yours,

Max Fink, M.D.
Professor of Psychiatry
