Dr. D. Moriarity  
Worcester State Hospital  
Worcester, Massachusetts

Dear Dr. Moriarity:

Dr. Violet Sunder Das, of Pakistan, has applied to these laboratories for the position of a research psychiatrist, and has indicated you as a reference.

I would be grateful for any information that you may be able to give me regarding Dr. Das' training, research abilities, and interests.

These laboratories have placed an emphasis on clinical psychiatric research, and I would be most interested in Dr. Das' ability to communicate in a program with our psychiatric population.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Director
