Dr. Paul Blachly
Associate Professor
University of Oregon Medical School
3181 S.W. Sam Jackson Park Road
Portland, Oregon 97201

Dear Paul,

Thank you for your kind invitation to participate in the summer school. I know that you will be busy, but if you are planning to treat patients any day that week other than Wednesday, I would like to make arrangements to be in Portland to, once again, watch the treatment administration.

I look forward to seeing you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
