Herndon, Virginia

Dear Dr. Woodard:

In checking our files, we found the enclosed reprints and reports sent us by Reckett & Colman in 1970. These may be useful in your evaluation of M-5050.

The letter of authorization and our supply of M-5050 were sent earlier this week.

We look forward to hearing from you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
