Dr. W. H. Van Houten
The University of Michigan
University Hospital
Ann Arbor, Michigan

Dear Dr. Van Houten:

Thank you very much for your kind invitation. The opportunity which you described is one that would interest me but my leaving the Missouri Institute of Psychiatry is occasioned by an invitation from the New York Medical College to return to New York and to continue my study programs there.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
