Dear Mr. Giordono:

I am writing to request the Bureau of Narcotics make available to this Department of Psychiatry an additional 2 grams of heroin HCl. (recrystallized) to continue our ongoing studies of antagonists in the treatment of narcotic addiction. I have called Dr. Eddy and he has suggested that I write directly to you.

A similar supply was made available to us (Dr. A.M. Freedman, M.D., Chairman of the Department of Psychiatry) on November 13, 1967.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
