Dear Dr. Nathan:

Thank you very much for your recent letter of inquiry and your curriculum vitae. I found the letter quite interesting, and would be glad to process your application further.

It would be advisable for you to send us the names of three referees to whom we may write regarding your experience in psychiatry. Also, we would appreciate a small photograph. In the event that the references are satisfactory, I will arrange for a personal interview.

Sincerely yours,

Max Fink, M. D.
