

February 3, 1967

Dr. Eugene Laska
Rockland State Hospital
Orangeburg, New York

Dear Gene,

It was a pleasure to have you visit and discuss the presentation. Herman Friedman recommended I speak to Dr. Welch. I have done so and enjoyed the meeting very much and I am grateful also for this recommendation.

Please accept the enclosed check as a small honorarium.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
