Dear Jonathan:

I very much enjoyed our meeting in Atlantic City. Following your comments, I thought it would be helpful to ask George to reconsider his position with regard to the transfer of the equipment which was brought from Hillside Hospital. I hope that I can convince him that this is a more reasonable course without having to ask any official notification.

Thank you for your assistance and advice in the proposed EEG-Psychopharmacology-Computer study program.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
