Dr. J. Mendels
Associate Professor of Psychiatry
Department of Psychiatry
c/o V.A. Hospital
University and Woodland Aves.
Philadelphia, Pennsylvania 19104

Dear Joe,

Earlier this month I submitted two copies of a contribution to EEG and Clinical Psychiatry. One of my associates has reviewed the text and found a number of small errors. I have corrected these and to avoid the expenditures of corrections in galley, please replace the two copies in your hands with the two enclosed.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
