Dear Herb,

Enclosed is a copy of the latest letter received from the HEW regarding the audit of the Association. I am pleased with the response, and want to thank you and your associates for your help.

At the meeting of the Board of Directors of the Association held on January 25, 1973, they elected to request your firm to carry out the 1972-1973 audit.

My best regards.

Sincerely yours,

Max Fink, M.D.
